Workshops

These thoughtful, meditative and gently challenging workshops would suit any group seeking to explore, deepen and celebrate their relationship to the Goddess.

Using Input, discussion, sharing, the *Australian Goddess Cards*, and uniquely beautiful electronic slide presentations, Patricia will work with your group to explore the many and varied ways, and the many faces, by which the Goddess reveals Herself to us.

The content and format of the workshops can be customised to meet the needs of any group, small or large.

Workshops can be offered at your venue or at Patricia's riverside property, Wildwood.

Reflection Days

Patricia can design a reflection day, half day or evening to your requirements, incorporating focussed input, personal reflection, quiet time and ritual.

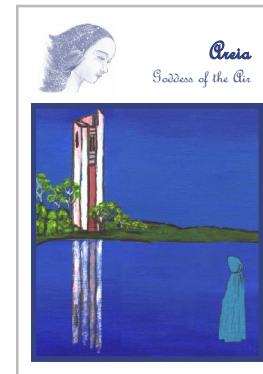

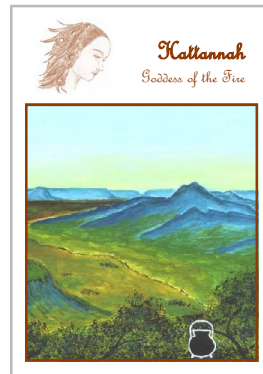

These can be facilitated at your venue, or at Wildwood, where the natural environment of trees, river and forest combine to make the reflection time memorable and very special.

Sessions will be based on experiencing the way in which Goddess is revealed to us in the complexity and beauty of the Web of Life.

Australian Goddess Cards

Use the Cards to:

- ◆ meet the Goddess of Australia
- ◆ deal with issues and problems in your life
- ◆ gain direction for your personal journey
- ◆ tap into Australia's sacred wisdom.

The four suits of the *Australian Goddess Cards* represent the elemental manifestations of the Goddess in Australia: Aqualena (water), Althera (earth), Hattannah (fire) and Areia (air).

Twelve cards in each suit have an image of Australian water, earth, fire or air; the thirteenth card has an image of the Goddess. There is one *Lady Most Holy* card, giving 53 cards in all.

Each card also has a traditional Goddess symbol on it, connecting the Australian Goddesses to older religions of the Goddess.

On the reverse of each card is a brief description of the image and the symbols used, with a prayer to the particular Goddess of that suit.
